

ANTRICA

encoders | decoders

Specification

ANT-1776UAVC Ethernet Cable
Assembly Part Number ANT-1776UAVC-ETH

Key Features

- Gig E ethernet RJ45 connector to JST miniature connector for the ANT-1776UAV
- 8 way JST connector for attachment to ANT-1776 p/n of connector SM08B-SRSS-TB
- 120mm length

Product Overview

This is a breakout cable to connect the ANT-1776 Motherboard to an external Ethernet cable via the Ethernet RJ45 socket
