## Product Profile

Series SR/SZ connector

Category Insulation Displacement Connectors (Wire-to-Board type)

Type IDC style, Compact type  
Disconnectable type

## Specification

Pitch 1.0mm

Current rating 0.7A

Voltage rating 50V

PC board mounting direction Top entry, Side entry

## Product description

\*Compact design

\*Although this shrouded header has locking features for its mating receptacle, there are no holes in the header shroud that would adversely effect vacuum gripping equipment.

\*Twin U-slot ID section

\*The same shrouded header can be used for the SH crimp style connector.
