Hi Carly

The download link below is for the video and test results

<https://www.jumbomail.me/j/FHpfZIn9u0ubbyJ>

Because the intensively efforts to fix the sony problem we notice that **on power up** the sony block mux

that Select channel is not include the sony camera.

in order to solve it you need to go to the **sony menu on setting** and select **diffrent resolution**

We will solve it as soon as possible.
