

Unreleased / Beta firmware use

The firmware contained within these folders, assuming there are any files here, is newly released firmware from our development teams.

This firmware is released because it contains new features and /or bug fixes.

If you use any of these beta firmware's and then you find issue(s) when you report this, it must be via supoort@antrica.com, please ensure that you provide, as a minimum the following information:

1. The Antrica product you have
2. The Antica serial number
3. The version installed
4. The version previously installed
5. The issue you are seeing
 - 5.1. Any images or videos of the issue
 - 5.2. Config file or screen shots of the setup

Please note that some webpage issues can be resolved by doing a browser cache clear.

See the guide [BrowserCacheClear.pdf](#)
